

# Hot Fork Buffet

These are much more substantial meals than finger buffets and can be eaten either standing or seated. They are ideal as lunch for all day conferences or presentations, great for informal dinners or just where the numbers are too large for a sit down meal.

The food arrives completely prepared and presented. We will deliver in insulated boxes to keep the food warm and we have chafing dishes, available for hire, to keep the food warm during service. You simply need to lay it out on your tables and guests will be able to help themselves, serving utensils are also available to hire.

The serving of the food can be by your own staff or by our professional waiting staff. Choose from the following list or call us for advice on putting together a balanced combination of dishes tailored to your needs.
